

SATURA® PROFESSIONAL COMPLEX

Dual-step cosmetic care for fuller-looking, visibly revitalised hair.

Satura® Professional Complex brings together two powerhouse formulas for a complete cosmetic approach to coverage, softness, and scalp comfort.

Satura Professional Complex unites two of our most trusted treatments, Rosta Balm and Pro Lotion, to deliver targeted, cosmetic support for hair that looks thin, flat, or depleted.

Rosta Balm helps improve the appearance of density and scalp vitality, while Pro Lotion complements the ritual by smoothing, softening, and refining the look of each strand. Together, they support hair that appears fuller, more structured, and visibly more resilient over time.
