

SATURA® NATURAL SHAMPOO

Plant-based shampoo for visibly cleaner, calmer, and better-balanced hair.

Satura® Natural Shampoo offers a deep yet gentle cleanse, designed to respect both scalp and strands, leaving them visibly refreshed.

Developed with a concentrated blend of botanical extracts, this shampoo helps remove visible buildup and rebalance the feel of the scalp without synthetic agents. It features soapwort, a plant known for its natural foaming action, and chamomile extract containing azulene to help calm and soothe.
