

# EOS® PLATINUM LOTION

For skin that looks fatigued, uneven, or visibly unbalanced - EOS Platinum offers daily cosmetic care with lasting visual impact.

This advanced botanical lotion is designed for areas of the skin that show visible signs of dryness, irritation, or environmental stress. Whether your skin feels rough, looks patchy, or lacks vibrancy, EOS Platinum helps restore the appearance of smoothness, clarity, and comfort.

Fast-absorbing and non-greasy, it delivers targeted support to delicate zones that demand more than hydration - they need visual transformation.

Used as part of your daily ritual, it helps skin appear calmer, clearer, and better-behaved over time.

## What It Does

- ✓ Improves the look of surface dryness, flakiness, and visible rough patches
- ✓ Supports a smoother, more even-toned appearance in delicate skin areas
- ✓ Helps calm the visible signs of irritation or imbalance
- ✓ Delivers lightweight, non-oily hydration with no residue
- ✓ Perfect for people seeking real visual results from a daily-use product

## Who It's For

- ✓ Skin that looks dull, blotchy, or visibly uneven in texture
- ✓ People prone to surface dryness, flakiness, or discomfort
- ✓ Anyone looking to refine the look of skin clarity, softness, and tone
- ✓ Individuals seeking lightweight, oil-free daily support with botanical integrity
- ✓ Those using other Satura® products who want complementary cosmetic care for wider areas

### BOTANICAL COMPLEX

**Wheatgerm & Rice Bran Extracts** – Rich in natural fatty acids, these help visibly soften and smooth the skin's surface without heaviness.

**Jasminum Grandiflorum & Rosa Majalis Fruit** – Traditionally used to enhance the appearance of clarity and surface radiance.

**Linden Extract** – Known for its gentle calming properties, helping reduce the look of irritation or visible redness.

**Glycerin** – Delivers hydration without oiliness, leaving skin with a smoother, fresher appearance.

**Vitamin P & Salicylic Acid** – Help support surface refinement and promote a clearer, more balanced-looking tone.

**Ascorbic Acid & Boric Acid** – Provide antioxidant support to maintain skin vitality and protect against visible dullness.
