

SATURA® SUPER SCALP LOTION

For scalps that show the signs - dryness, imbalance, visible irritation - this is your intensive cosmetic reset.

Satura® Super Scalp Lotion is a high-performance, leave-in formula created to help restore the visible condition of compromised scalps. Whether you're dealing with dryness, flakiness, or textural imbalance, this non-oily lotion delivers targeted, appearance-based support where surface issues are most obvious.

Fast-absorbing and powerful, it's designed for people who need more than just "refreshing" - they need a visible change.

What It Does

- ✓ Helps improve the visible condition of dry, flaky, or imbalanced scalps
- ✓ Supports the appearance of clearer, calmer, better-behaved skin on the scalp
- ✓ Reduces the look of visible buildup, patchiness, and surface stress
- ✓ Delivers powerful botanical support without oiliness or heaviness
- ✓ Ideal for sensitive-feeling areas or scalp skin that needs consistent care
- ✓ Can be used on its own or rotated with other Satura treatments for lasting visible results

Who It's For

- ✓ People experiencing visible scalp imbalance — flakiness, dryness, uneven texture
- ✓ Those seeking a non-greasy, intensive option for surface-level comfort and clarity
- ✓ Individuals whose hair or scalp feels hard to manage or unsettled
- ✓ Anyone looking for a serious ritual to support the appearance of scalp health and calm
- ✓ Users of Rosta Balm or Extra Mix looking to layer or alternate their care

WHERE COMFORT BREAKS
DOWN, WHERE SKIN LOOKS
UNSETTLED - THIS IS CARE
THAT PUSHES BACK.

BOTANICAL COMPLEX

Hippophae Extract (Sea Buckthorn) – Helps improve the appearance of dry or unsettled scalp skin, supporting visible comfort and clarity.

Nettle (Urtica Dioica) – Known to support the look of scalp vitality and visibly healthier, better-behaved hair.

Calendula Seed – Traditionally used to calm the look of redness, dryness, or surface stress.

Rosehip – Rich in natural antioxidants to help refine the look of scalp texture and balance.

Salicylic Acid – Helps reduce the visible signs of buildup and roughness on the scalp surface.

Aloe Vera Juice – Delivers light hydration to promote a softer, smoother-looking scalp — without oil or residue.
