

EOS® BRONZE LOTION

For pale, oily, or uneven skin - antiseptic care that restores clarity and a natural-looking glow.

EOS® Bronze Lotion is a targeted botanical formula designed to visibly refresh and refine skin that appears pale, oily, or fatigued. Combining antiseptic protection with skin-conditioning plant extracts, it helps smooth the surface, reduce the look of cosmetic imbalance, and promote a healthier, firmer-looking tone - without heaviness or artificial colourants.

Especially suited to oil-prone or uneven skin, EOS® Bronze delivers daily cosmetic support to enhance natural radiance and surface clarity. The result is skin that looks fresher, more refined, and better balanced - with a hint of warm vitality.

What It Does

- ✓ Combines antiseptic care with daily tone-enhancing support
- ✓ Visibly improves the look of pale, dull, or uneven skin
- ✓ Helps refine surface texture and support firmer skin feel
- ✓ Promotes a natural-looking glow with no artificial tanners
- ✓ Especially suited for oil-prone or tired-looking skin
- ✓ Leaves skin feeling cleaner, clearer, and more radiant

Who It's For

- ✓ Skin that appears pale, fatigued, or cosmetically flat
- ✓ Individuals seeking a healthy, sun-kissed glow without makeup
- ✓ Those looking to visibly smooth and firm the surface of the skin
- ✓ Oily or combination skin types in need of balancing support
- ✓ Anyone wanting a glow-enhancing formula suitable for daily use

**BRONZE BRINGS TONE,
CLARITY, AND A NATURAL
GLOW - ESPECIALLY FOR

BOTANICAL COMPLEX

Linden & Coltsfoot Extracts – Support softness and surface balance in oil-prone skin

Oak Bark & Pine Buds – Visibly refine texture and promote a smoother appearance

Beta-Carotene – A natural pigment that contributes to warm, healthy-looking tone

Tansy Extract & Vitamin A (Retinol) – Help restore radiance and surface vitality

Bioflavonoids & B Vitamins – Support the look of firmness and energised skin tone

Together, these botanical ingredients offer antiseptic support and cosmetic revitalisation - helping pale or oily skin appear clearer, smoother, and naturally radiant throughout the year.
