

# EOS® EMERALD LOTION

Targeted cosmetic care for men's skin - antiseptic, anti-rash, and designed for life in motion.

EOS® Emerald Lotion is a daily-use botanical formula created specifically for the visible needs of men's skin - before and after shaving, or whenever skin needs a moment of reset. Whether you're dealing with razor rash, surface dullness, or post-gym congestion, this lotion combines antiseptic care with lightweight hydration to keep skin looking calm, clean, and conditioned.

Infused with peppermint, nettle, and calendula, EOS® Emerald supports clarity and comfort without heaviness. Designed for shaving routines and active lifestyles, it visibly tones, soothes, and revitalises - the essential lotion for skin that works as hard as you do.

## What It Does

- ✔ Delivers antiseptic care and visible comfort before and after shaving
- ✔ Helps reduce the look of shaving rash, redness, and irritation
- ✔ Supports a smoother, firmer-looking skin surface
- ✔ Refreshes the appearance of tired or post-workout skin
- ✔ Maintains balance and hydration without greasy residue
- ✔ Designed for the texture and needs of male skin

## Who It's For

- ✔ Men seeking visible care for shaving, workouts, or daily refresh
- ✔ Skin prone to redness, cosmetic irritation, or surface unevenness
- ✔ Individuals looking for a simple, natural formula that works hard
- ✔ Active users needing post-sport or post-swim skin reset
- ✔ Suitable for all skin types, including oily, reactive, or sensitive skin

### BOTANICAL COMPLEX

**Stinging Nettle & Calendula Extracts** – Help calm and support a refreshed, healthy-looking complexion

**Peppermint & Pine Bud** – Deliver a cooling sensation to visibly tone and revitalise

**St John's Wort & Plantago Leaf** – Used in cosmetic care to help support surface balance

**Salicylic Acid & Boric Acid** – Assist with antiseptic care and refinement of uneven texture

**Vitamin A (Retinol), Vitamin C (Ascorbic Acid), Bioflavonoids (Vitamin P)** – Support antioxidant protection and skin resilience

**Glycerin** – Provides light hydration for a clean, comfortable finish

Together, these active botanicals offer targeted, antiseptic support for men's skin - helping reduce shaving rash, restore clarity, and maintain comfort through every routine.

**SHAVE. SWEAT. SOOTHE.**  
**A CLEAR-SKIN RITUAL**  
**FOR ACTIVE MEN.**
