

EOS® GOLD LOTION

For oily, congested, or shine-prone skin - antiseptic clarity for targeted cosmetic reset.

EOS® Gold Lotion is a daily-use botanical formula delivering antiseptic care and visible refinement for skin prone to excess oil, uneven texture, and surface congestion. Designed to be applied only to affected areas, it supports a clearer, more balanced appearance where skin looks visibly unbalanced or overactive.

Formulated with peppermint, eucalyptus, salicylic acid and mineral-rich actives, EOS® Gold helps reduce the appearance of surface shine and enlarged pores, while supporting a smoother, more refined complexion. It's ideal for those seeking a targeted cosmetic solution - without stripping or over-drying.

What It Does

- ✓ Combines antiseptic action with daily clarifying care
- ✓ Helps reduce the appearance of excess oil, congestion, and surface dullness
- ✓ Visibly improves clarity and supports even-looking skin tone
- ✓ Refines the look of enlarged pores and uneven texture
- ✓ Leaves affected areas feeling fresher, smoother, and more balanced
- ✓ Designed for use only on specific areas — not the entire face

Who It's For

- ✓ Skin that appears oily, shiny, or visibly congested
- ✓ Individuals wanting to reduce the look of pore size and surface unevenness
- ✓ Those prone to localised cosmetic roughness or imbalanced tone
- ✓ Anyone seeking targeted cosmetic care for clearer, calmer skin
- ✓ Suitable for daily use as part of a clarifying, plant-based skincare ritual

BOTANICAL COMPLEX

Peppermint & Eucalyptus Extracts – Refresh and visibly tone areas prone to oiliness and buildup

Sage Leaf & Pine Bud Extracts – Help smooth rough surface texture and clarify tone

Salicylic Acid – Supports exfoliation and pore refinement in affected zones

Linden Extract & Boric Acid – Known for their cosmetic balancing and clarifying effects

Sulphur – Traditionally used to improve the look of visibly blemished or uneven skin

Glycerin – Provides light moisture for a comfortable, matte-feeling finish

This formula delivers botanical antiseptic support to visibly oily or uneven skin - helping refine, smooth, and balance the appearance of affected areas without residue.
