

EOS® PLATINUM LOTION

Multi-purpose antiseptic care for dull, dry, or unbalanced skin - clarity, tone, and smoothness in one daily step.

EOS® Platinum Lotion is a deep-cleansing, multi-purpose antiseptic formula crafted to improve the visible condition of the skin on the face, neck, and body. It works to visibly refine rough texture, support firmer tone, and calm areas affected by cosmetic imbalance - delivering clear, refreshed skin without heaviness or irritation.

Infused with bioactive botanicals and naturally clarifying acids, EOS® Platinum provides daily cosmetic support for those prone to dryness, dullness, or visible surface stress. With consistent use, skin feels smoother, cleaner, and more balanced - perfectly prepped for any follow-on treatment.

What It Does

- ✓ Offers daily-use antiseptic support for face and body skin
- ✓ Helps cleanse and clarify without drying or stripping
- ✓ Visibly improves texture and skin tone appearance
- ✓ Supports the look of firmness and smoothness
- ✓ Helps calm skin affected by external stress or roughness
- ✓ Leaves skin feeling clean, soft, and ready for further cosmetic care

Who It's For
