

# EOS® SILK HANDS LOTION

Lightweight antiseptic care for dry, rough, or overworked hands - daily softness, zero residue.

EOS® Silk Hands Lotion delivers targeted cosmetic support for hands exposed to water, manual work, and environmental stress. Fast-absorbing and non-sticky, this plant-based lotion helps soften rough texture, relieve the feel of dryness, and promote visibly smoother, more resilient skin - without leaving a greasy finish.

With each use, Silk Hands helps calm the feel of stressed or chapped skin, especially where frequent washing, exposure to water, or surface discomfort are concerns. Naturally antiseptic and suitable for daily use, this is restorative care for hardworking hands.

## What It Does

- ✓ Softens the look of dry, rough, or weather-exposed hands
- ✓ Helps visibly improve texture and comfort after frequent cleansing
- ✓ Absorbs quickly with no greasiness or stickiness
- ✓ Offers antiseptic protection as part of daily skin hygiene
- ✓ Calms the appearance of chapped or overworked skin
- ✓ Promotes a visibly smoother, silkier hand feel throughout the day

## Who It's For

- ✓ People with dry, cracked, or rough skin on the hands or fingers
- ✓ Manual workers, housekeepers, or anyone with frequent water exposure
- ✓ Individuals experiencing tightness, dryness, or chapping from repeated cleansing
- ✓ Those seeking fast-absorbing, no-residue care for comfort on-the-go
- ✓ EOS® skincare users looking to extend visible skin wellness to their hands
